

## JAM SESSIONS

Jam Sessions are camp-wide gatherings that feature enthusiastic hosts, high-energy worship, compelling storytelling, and incredible skits. Experience crazy team cheers, outrageous games, and engage in incomparable worship, and enjoy our cliff-hanging dramas that reinforce the camp theme and Bible stories. These interactive productions are easily one of the highlights of camp!

## SMALL GROUPS

Following each Jam Session, Small Groups create space for kids and leaders to grow in relationships and dive into the Bible stories further. Leaders are provided with fun activities and discussion questions that help their group conceptualize the message and apply the bottom line to their lives. This impactful time is a staple of CKJ and is a springboard for campers to create bonds that last long after camp.

## TRACKS

Tracks are fun-filled activities that kids sign up for at Camp KidJam. Some of the amazing activities they can participate in are dance, drama, sports, and arts-n-crafts. Kids get to participate in one track for each camp. Please see the forms section for a list of available tracks. These are filled on a first come first serve basis so please try to get them turned into your church as quickly as possible.
